

What's God doing in 2020? We can say it in just 3-words...

Shaking!...Awakening!...Separation!

Or in 3-sentences...

1. The purpose of the shaking is to bring an awakening.
2. The purpose of the awakening is to wake us up to see the spiritual battle, and rise up to become clearly identified with one side or the other.
3. The purpose of the resulting separation is to become hot or cold to God, as He begins the final harvest.

Or in 3-paragraphs...

Shaking: This is the end of a 6,000 year age, the time allotted to the First Adam to have dominion over Creation. At the beginning of man's reign, however, he became corrupt by submitting his mind to the deceiver. It was then easy for Satan to rob, kill, & destroy mankind, by fostering destructive behavior individually, toward each other, and the planet that they were given to rule over in righteousness. The 6,000 year period is symbolic of "6-days." We are now entering the 7th day, the day of rest, when the reign shifts from fallen man to the Last Adam, our Messiah & to those in whom He dwells. But the First Adam does not relinquish control without a vicious fight! So God shakes the heavens (realm of spirits), and the earth, (natural realm). He will continue to shake with greater intensity until all that is not founded upon the Messiah is thrown down.

Awakening: The shaking process is also to wake us up to righteousness. We see this in the parable of the 10-virgins, and elsewhere. It is the time for them to rise & shine with His Light. It is not only the time for those who call themselves by His name to wake up, but for all to come out of their slumber. The purpose of waking up is to see & sense what God is doing. And all are to wake up to the exposure of the hidden corruption that the shaking reveals. Once awake & aware to both the dark & to the light, then we are accountable. We can no longer be apathetic, complacent, floating along with the mixture. The blend of good & evil can no longer be tolerated. The awakening is to stir us into action.

Separation: The awakening stirs us to a separation as we take sides. Those who love the truth will move into more light. Those who harden their hearts to truth will be sent delusion by God to drive them into further darkness. There will be no hybrids in the final ingathering of crops. There will be no lukewarm hearts. People will be hot or cold. This separation begins in our own hearts and concludes with all people on the earth. This is what our writing, "The Vision of the Sun on the Ice" was all about. We are rustled to be actively engaged as being on God's team, or against Him. It is the time where His glory is filling the earth. He is networking His people, while bringing confusion, fear & chaos into the enemy's camp.

And in 3-Parts we lay out a more in-depth view of what God is doing in 2020...

Part 1: The Shaking:

The first major shaking was God's voice that shook the earth when the Torah (marriage contract/ covenant instructions), was given to the new nation of Israel at Mount Sinai. This shaking was a sign in the natural that the earth would be rocked by this new-beginning marital relationship between God & a nation of believers. They were to be His "change-agents" in the earth, to bring it back into righteous dominion.

The *first* shaking implies another to come. The rumblings began with the resurrection of the Messiah, about 1500 years later. They rippled again when the apostles received His Spirit on the first Shavuot ¹ (Pentecost) that soon followed. But these events were not the next shaking. Shavuot however, is the same day of the Hebrew calendar of the first shaking when the Torah (Word), was given. It was the Torah/Word raised up from external instructions to the level of Spirit, now able to be written on our hearts. From then on, this God-man relationship would expand (in scope & intensity), to a people throughout all nations. They would be His people, and He would be their King. They would be of His Kingdom. They would identify each other by His Spirit within, no matter what was their national heritage. God would dwell in them. He would walk through them to be a Light to those stumbling in spiritual darkness.

Then a few decades after His apostles received His Spirit within on Shavuot, the promise was given of the next (& much greater), shaking in the future. It would be the sign of physical shakings in the earth realm that the principalities & powers of darkness that controlled the nations are also shaken out of their places...out of their authority.

- "26. When he spoke from Mount Sinai his voice shook the earth,
but "Next time," he says, "I will not only shake the earth, but the heavens too."*
*27. By this he means that he will sift out everything without solid foundations,
so that only unshakable things will be left."*
*28. Since we have a kingdom nothing can destroy,
let us please God by serving him with thankful hearts...*
29. For our God is a consuming fire."

Hebrews 12:26-29 The Living Bible

This shaking of earth AND heaven would be on a "day" of a different span of time. It would be on the day that we know as "the day of the Lord," "the day of His wrath," "the day of His vengeance," & "the day of judgment." This final shaking does not happen in a 24-hour day, but over a few years. It is happening now! The world has taken notice of it since President Trump began rule in 2017. (See our Study No. 8, "A Super Blue Blood Moon.")

1. "Shavuot" is the proper noun for this special day in the original Hebrew, which should have been transliterated (retained in sound), in the Latin, Greek, & English translations that followed. This should also have happened with all proper nouns as a foundational translation principle). "Pentecost" is the English translation of a Greek substitute for the correct scriptural name of "Shavuot."

This is not a “day” for God’s people to be afraid. It is “the great & terrible day of the Lord,”² great for His people, and terrible for the unrepentant. We understand more about this day when we look at Haggai, who had prophesied of it even earlier than Paul:

“5. According to the word that I covenanted with you [on Shavuot at Mount Sinai] when you came out of Egypt, so my spirit remains among you...[so don’t be afraid].

6. [Yet once more]...I will shake the heavens and the earth and the sea...

*7. And I will shake all nations and shall come the desire of all nations³
and I’ll fill this house with glory...*

*9...greater shall be the glory of this latter house than of the former...
and in this place [house] will I give peace...”*

Haggai 2:5-9 The Messianic Aleph Tav Interlinear Scriptures Volume 3

Wow! What stands out are the 2-major ways that this “next shaking” exceeds the first.

First, this “next shaking” shakes the heavens as well as the earth. That means that it shakes the spiritual entities that manipulate man through deception. This has been easy for them to do in the fallen souls, who are naturally filled with twisted motives, (fear, anger, greed, lust, pride, victim mentality, selfishness, etc). The principalities & powers of darkness are shaken out of their positions of authority over man. One recent example of a sign of this shaking was the recent, highly-unusual lightning storm in Washington DC that repeatedly struck the Washington Monument, (an obelisk). God despises obelisks since they are associated with sun-worship, sexual immorality (Asherot phallic symbols), and idolatry.⁴ The lightning strikes are a prophetic sign that the days of demonic spirits controlling man are ending.

Secondly, this shaking will happen to *ALL* nations! We see that each shake results in further exposing & removing corruption, while revealing God’s glory. The first glory was seen in the earth, and was limited to one nation. The second shaking is global, and shakes to the root of the problems...the principalities & powers of darkness. This latter shaking results in His glory being seen within His army throughout the earth. This army of Ekklesia is given and takes rulership in the spiritual heavenlies, and in the earth. It is powerless to stop. His Kingdom-government will never be defeated or replaced. His ever expanding peaceful government will never end. We see it growing!

2. From Joel 2:11. In Revelation 6:16,17 we see the “terrible” part of this day is for the wicked as they try desperately to hide from the Lamb who is ruling with a rod of iron in righteousness through His people, (who have been raised up into ruling government positions). The reigns of power have changed! The context shows that “great” is the description of His army, through whom justice is carried out upon the wicked, who are terrified by the authority of God’s throne working through God’s Ekklesia, the remnant.

3. Enoch had prophesied this shaking as well, especially in The Book of Enoch, Chapters 48 & 62, as summarized in Jude. The “desire of all nations” is the Messiah & His reign of righteousness & justice through His elect upon the whole earth. The wicked must be removed first, (Pr. 25:5, Phil 3:21).

4. See Jeremiah 43:12,13 in the Amplified Bible, The New Living Translation & in Dakes, with the note to his summary research of these obelisks on his page 106.

Part 2: The Awakening:

The shaking is to wake us up. We tend to be slow to change. We liken this to not wanting to have our sleep disturbed even if the house is on fire...or at least until we wake up enough to understand what is happening. The problem with a slow awakening is that it might soon be too late to get out. But in God's mercy, He is waking up people all over the earth, first through oppressive governments, then through a virus plague, then through plummeting economies, followed by destructive riots. As we watch our cities burn, ⁵ we are reminded of the 10 plagues that God sent to Egypt just prior to the miraculous deliverance of Israel. Every person is affected by these plagues in one way or another. The enemy wants us to embrace fear. But God wants us to wake up and see what He is doing. A mighty deliverance is emerging, but first we must wake up!

Why did God destroy Egypt? It was to make it real easy for the Israelites to awaken to the contrasts, and to want to draw near to God and to distance themselves from those who opposed God. God was waking His people up to be positioned for a great transition. Today, God is waking up people globally to be ready for a global transition. It is a transition from the 6,000 rulership of criminal governments & institutions & systems of fallen mankind into His global government, ruled by His Spirit through His people. It's time to see the big picture of what's going on. And there is a "Great Awakening!"

We are waking up to an ever polarizing world. We are coming to see hidden things revealed, in this "time of the end," (as promised both to Daniel (12:9), & to Matthew).

"26...For the time is coming when everything will be revealed;

ALL THAT IS SECRET WILL BE MADE PUBLIC." ⁶

Matthew 10:26 The New Living Translation

We are now living in that "time of the end." ⁷ It is the most exciting time to be alive. Once we start to wake up, we become "truth-seekers" to learn more, and then we hear the call to be "truth-speakers" ⁸ to help further wake up others, as they also fill us in on what they see. The result is, His people are being encouraged, strengthened, & networked. This process is happening in various world-wide moves: the Prayer Movement, the Prophetic Movement, the Q-movement, the Political Movement, Trump Rallies, the Yellow-Vest Movement, the Pro-Life Movement, the Alternative Media Movement, the Hebrew Roots–Messianic Jewish Movement and more.

5. I recall David Wilkerson prophesying these events decades ago.

6. This is the scripture that is quoted by "And We Know" on all of their you-tube news clips.

7. It is not the time of the end of the planet! It is the time of the end of the world systems of the First Adam. This is portrayed so well in the crumbling statue in the dream of the world leader as described in Daniel, Chapter 2. It was disturbing to the world leader, but great for us. We see it now as the governments of mankind are being replaced by His Stone Kingdom that will cover the whole earth. This global godly kingdom is the glory described in Habakkuk 2:14. It is the time of "the new heavens & new earth," where the dark forces of rulership in those realms are removed to be replaced with new godly ones.

8. Matthew 12:34 in Hebrew is "Truly the heart awakens and the mouth speaks," Passion Translation.

Part 3: The Separation

The shaking brings an awakening. This awakening is to lead us into a separation... separated from one thing and into another. Once awake, we are alerted to be identified with either the Kingdom of Darkness, or with the Kingdom of Light. There is a stirring in our hearts as truth invades every area of society. We are to awaken to depart from iniquity and to enter into righteousness; to leave the flesh-nature-works of the first Adam, and to be clothed with His spirit-nature-works-fruit of our Messiah, the last Adam.

*“11. He who does wrong, let him do more wrong;
he who is filthy, let him be more filthy;
he who is righteous, let him be more righteous;
he who is set-apart, let him be more set-apart.”*

Revelation 22:11 The Scriptures

We see a taking of sides. At the time of the end there is a great harvest of souls, which begins as a separation of tares from wheat. The separation of the mixture comes through a winnowing (shaking), process, once the fruit (works/nature/character), of each becomes evident. At that time it is simple to distinguish between the two types. Every tree is known by its fruit. As the separation continues, a polarization builds into two starkly opposing sides. This brings unavoidable conflict. This is wonderful news, since the “no-bystanders fight” will result in the utter defeat of evil.

So how does it just happen that the fruit all becomes ripe at about the same time? God makes this happen by testing the souls of all as to whether or not they love the truth. To those who don't, He sends delusion...like He did with the hardening of Pharaoh's heart. Pharaoh failed at each test, and had his heart hardened a bit more each time. Even with the 10th plague (the death of his first-born son), his stand became obvious by his final military action to “get even” with Moses. Our destiny is fixed by, “Do we love the truth or lies?”

*“9. The presence of the “outlaw” is apparent by the activity of Satan,
who uses all kinds of counterfeit miracles, signs, spurious wonders,
10. and every form of evil deception in order to deceive those who are perishing
because they rejected the love of the truth that would lead them to being saved.*

*11. BECAUSE OF THIS GOD SENDS THEM A POWERFUL DELUSION
THAT LEADS THEM TO BELIEVE WHAT IS FALSE.”*

2Thessalonians 2:9-11 The Passion Translation

“19. And here is the basis for their judgment:

*The Light of God has now come into the world,
but the hearts of [some] people love their darkness more than the Light,
because they want the darkness to conceal their evil.*

*20. So the wicked hate the Light and try to hide from it,
for their lives are fully exposed in the Light.*

*21. BUT THOSE WHO LOVE THE TRUTH WILL COME OUT INTO THE LIGHT
and welcome its exposure,
for the Light will reveal that their fruitful works were produced by God.”*

John 3:19-21 The Passion Translation

This is why these are perilous times that beckon us to wake up and move quickly in the Light that we have. Why? Because God is doing the final separation. ⁹ He sends more deception to those who do not love the truth, while sending more enlightenment to those who love the truth. God has set timetables for when time is up for those who are corrupt. His people left Egypt 400 years *to the day* after that separation was told to Abraham. ¹⁰ Once the Red Sea closed, it was too late to join with God's people. He has a specific timetable today as well. Time is running out to join the tug-of-war on the winning side. God is forcing the mixture to move...spitting the lukewarm out of His mouth.

As Moses was God's leader of His nation in that day, so too God has raised up President Donald Trump to be the world leader today. People will all come to either love President Trump, or to hate him. Nations will join with the USA in fighting corruption, or they will position themselves against the USA. He has taken an active stand for the truth of the Bible, the Constitution (rights to free speech, religious freedom, to keep & bear arms, private property, etc.), Israel, pro-life, law enforcement, our military, our borders, and truth expressed in many other avenues. He has taken an active stand against sex-trafficking, pedophilia, illegal drugs, crime, terrorism, illegal immigration, Planned Parenthood, treason, government corruption, government control, fake news, communism, socialism, and dictatorships.

Looking at groups, we see that the Republican Party is becoming more solidly in line with President Trump & his God-directed agenda. The Democrat Party is becoming solidly in opposition to all that is of the Light, embracing the antithesis of all that President Trump stands for. Moderates on both sides are quickly becoming a thing of the past. Just as in the parable of the sower, some accept the truth, but soon fall away.¹¹

On a smaller scale, marriages will either come alive or die. Individually, as we start to wake up to what God is doing, we seek to wake up more, thirst for more truth, hear His Spirit within with greater clarity, and shift into our calling for action for righteousness, being identified with the winning team!

The separation leads to polarization, conflict, and more shaking, which ushers in more awakening, which results in further separation. The cycle repeats. For those of the Light, we emerge more networked, more united, and more in rulership, with a rod of iron in righteousness & justice against the evil. The reigns of power are shifting, and as our Presidents so often says, "***The Best is Yet to Come!***"
