

**Addendum to:
Shaking–Awakening–Separation message...
... in diagrams**

This message is a vital reference point from which to view current events with a clear & positive perspective. So I've created this addendum in diagrams to provide a snap-shot of the concept... A picture is worth a thousand words.

In our study by this name, we used scripture to demonstrate that the shaking is to awaken. The awakening is to know what's going on, which will cause us to move (more), from mixture one way or the other. On the one hand, we will become a more avid seeker of truth and come into more of God's Light; but on the other hand, those who harden their hearts to the truth all about them, will be sent delusion, to cause them to move from mixture into further darkness. ¹ So here is a simple diagram to display the concept:

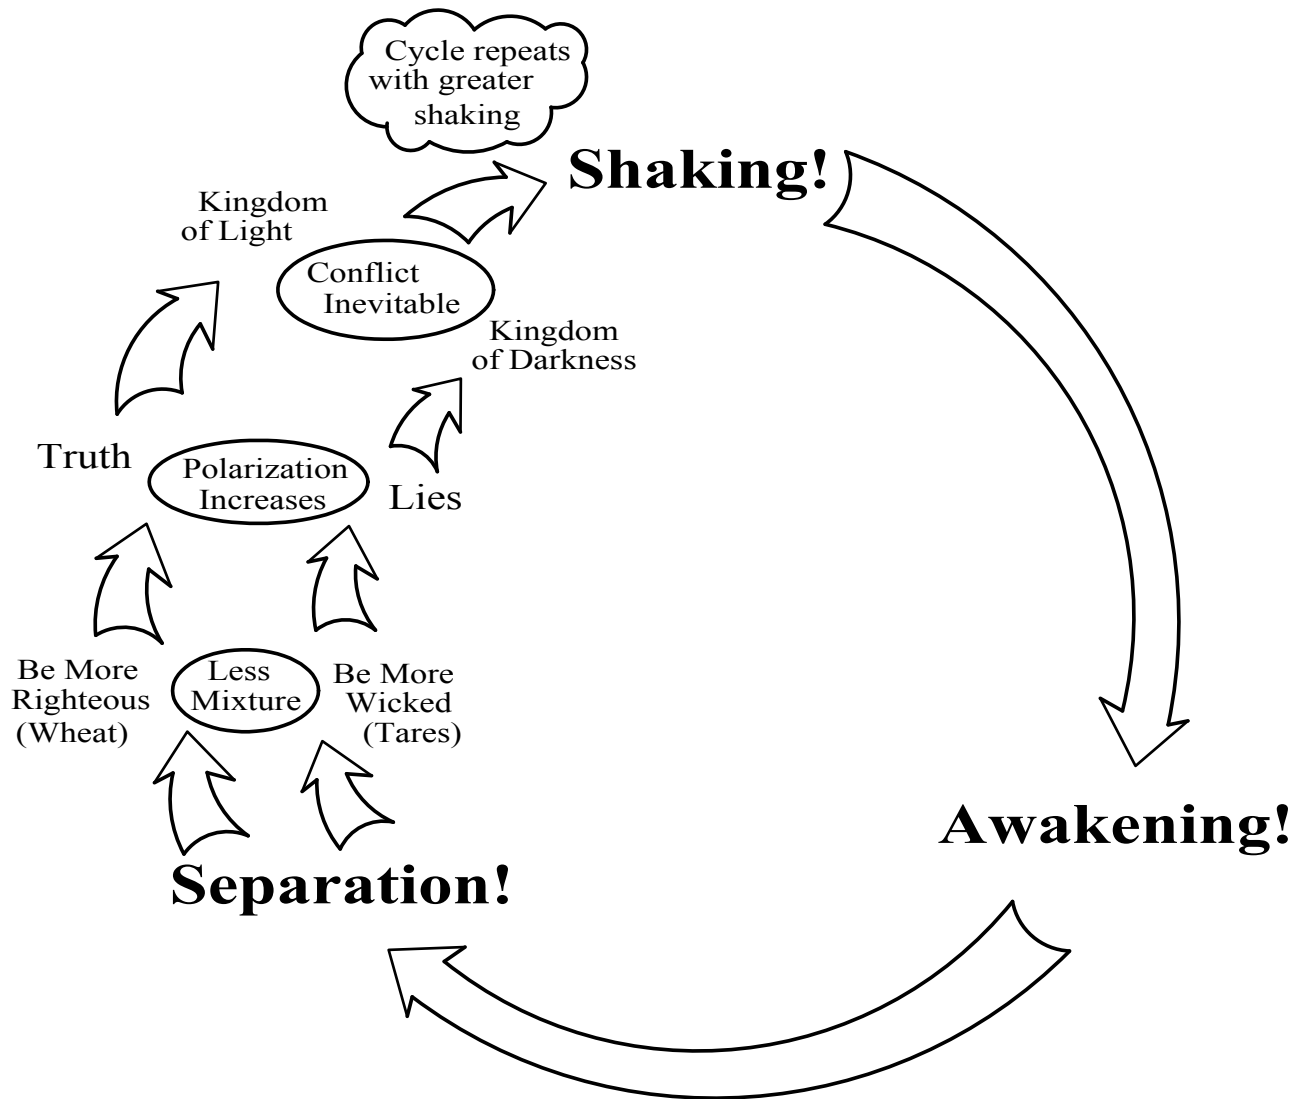

However, this pattern repeats, forming a cycle. That means the diagram can be improved to look like this:

1. 2Thessalonians 2:9-12, Isaiah 5:20, 21, and Proverbs 1:23-33 are 3-references for this basic principle.

Now let's do a diagram that details the process from "Separating" back to "Shaking," actually causing a new wave of the shaking. This shows why the pattern becomes a cycle:

With each cycle there is an acceleration in both intensity & speed. God is cutting the process short for the sake of the elect. With each cycle, we are more awake. What's going on becomes more obvious. The two truth-witnesses of Word & Spirit are no longer trampled in the streets. They are rising up with the authority of God's throne. The Word & Spirit are being elevated into a higher realm of maturity...into His Life in a people. Time is up for the corrupt. The absolute horror of the Kingdom of Darkness can no longer be kept hidden. The need to take action becomes evident.

This is why 2020 is the year of "20-20 vision". There is a global reset. He is working through His saints to reign over & restore all creation. Evil is losing its grip, desperate, panicking because they know their time is short. What a most exciting time to be living in!

So how long does the cycle continue? It keeps repeating until everything that is not of the Kingdom of the Messiah is shaken off. In other words, until all of the tares are pulled up and destroyed until all of the mixture is gone, until the saints are resurrected.

Another way to say this is until the New Jerusalem comes from heaven to earth. That means until the 3rd Temple, His spiritual house of living stones, His Body, is complete, and manifesting not just within a people, but through those people to be seen upon the earth, in the natural realm. It is here on the planet that these “Sons of the Living God” will maintain a rule of righteousness, where all of creation will be restored.

We will know we are close when the devil, the beast, and the false prophet are thrown into the lake of fire, (symbolic of a place of judgment). The beast is the self-centered beast-nature of fallen Adam that draws its power from the devil. The false prophet is the entity that speaks lies with great deceptive influence to bring control over the people. This false prophet draws its power from the beast, the receptiveness of those not in Messiah to believe lies. Who is the false prophet? Who can match better than the mainstream news media, (now known as fake news)? And not just them, but also the religious systems, (businesses). Knowing his time is short, the devil spews forth a flood of clever lies through them (& others), to sweep away the truth. This plan fails.

“19. And I saw the beast, the kings of the earth, and their armies, gathered together to make war against Him who sat on the horse and against His army. ¹

*20. Then the beast was captured,²
and with him the false prophet ³ who worked signs in his presence,
by which he deceived those who received the mark ⁴ of the beast
and those who worshiped his image. ⁵*

These two were cast alive into the lake of fire...

*21. And the rest were killed with the sword
which proceeded from the mouth of Him who sat on the horse...⁶”*

1. Demonic forces empower the beast nature of leaders of corrupt governments, institutions, & worldly systems to control & lead many people into ways where they will be robbed, & killed. He who sits on the (white), horse is Jesus/Yahshua. The army with Him are His people, His family.

2. The beast-nature was subdued.

3. The mainstream media & religious systems of deception will be eliminated, being replaced with messengers of truth.

4. The mark is symbolic of the nature. There is a mark (nature) of the beast, and another of God.

5. The image of the beast is what is seen, the fruits-works-manifestations that identify these tares.

6. The sword symbolizes judgment that is executed by Jesus/Messiah through His army. This judgment totally removes the principalities & their earthly pawns from their positions of authority & influence.

The tares are removed!
